ABOUT US

Umzamowonke Trading and Projects CC is an electrical service with branches in Midvaal, Limpopo and Johannesburg and our aim is to reach provinces. The company is 100% black owned.

The co-founder and MD Mazibuko Moipone Irene has a deep-rooted dedication to service excellence and is the driving force that lead to this phenomenal growth; much of which can be attributed to her leadership which inspires the Umzamowonke Trading and Projects CC team to constantly grow and develop themselves, ensuring the reliable, quality service for which Umzamowonke Trading and Projects CC has become known.

Our principle are designed from our client needs and we have crafted the following pillars

Vision

To be recognized as the leading company in the professional services and fast moving consumables in South Africa, and a dignified company in rendering continuous development of services to our clients in both public and private sector.

To achieve success and growth in collaboration with Government, stakeholders and strategic partners leading increased contributions towards the betterment for rural and urban communities:

by providing vital and essential services to improve and sustain quality of life for the people of South Africa.

Affiliates

Mission

Our mission is provide exceptional services that results in customer satisfaction by meeting exceeding customer quality and delivery requirements.

To provide satisfactory services in a trustworthy and professional manner.

To deliver and implement reliable, superior services in all spheres of electrical and civil works as well as road transport, whilst ensuring that energy saving solutions are utilized wherever possible.

Why Us

Goals and Objectives

- We are aimed at contributing to the national development, by creating jobs and youth empowerment.
- To satisfy our customers and clients with our outstanding services at all insurmountable levels.
- Meeting all internal and external company requirements as contracted.
- To strive for on time service delivery

Our Values

- Professionalism
- Accessibility
- Quality services
- Integrity
- Cost effectiveness

SHE Policy

It is UmzamoWonke Trading and Projects CC policy to establish and maintain a safe and environment in compliance with the Occupational Health and Safety Act, (85 of 1993) as amended, using hazard identification and risk management strategies, so as to prevent personal injury, ill health or property damage, and to safeguard the environment.

Umzamowonke Trading and Projects CC Quality Policy:

- > Conform our product and Services to the client needs and satisfaction
- > Adhere to statutory and regulatory requirements at all times
- > Ensure that production and service provision are closely controlled and monitored
- > Comply with all applicable OH&S legislative requirements
- > Comply with all applicable environmental legislative requirements
- > Identify and assess risk and hazards of existing processes and activities that could be harmful to the health and safety of personnel and the public.
- > Ensure all employees are able to recognize risks and hazards associated if and when applicable.
- > Conduct regular audits to determine if management systems are implemented and maintained and whether they are effective in meeting planned objectives and targets.
- > Strive for ongoing improvement by regularly setting and reviewing targets and objectives.
- > Communicate these policies to all employees and interested parties.
- > Always comply with Eskom, SABS and Road Transportation standards & Procedures.

Social Responsibility

The desire to be involved with the underprivileged was not just a Government Calling being adhered to; but Umzamowonke Trading and Projects CC has a very real passion to help and empower the less fortunate. We will also be offering school uniforms for orphans, helping elderly caregivers who are themselves destitute yet still looking after children belonging to deceased relatives or neighbours. Furthermore, students who show potential and an Interest in the electrical field are earmarked for assistance in becoming qualified electricians and / or technicians, thus becoming part of Umzamowonke Trading and Projects CC.

OUR SERVICES

3

Scope of Work (Electrical)

Cable Fault Location (LV & MV)

Cable Route Tracing

Pressure Testing

- > VLF Testing, 25kV & 60kV

Cable Fault Repairs

- > Joint & Terminations

DC Systems

- > Battery & Charger Installation, Inspection & Maintenance
- > Upgrade & Design of Battery Chargers
- > Transformers
- > Installation, Commissioning & Maintenance
- > Oil Change | Repairs
- > Replacements
- > Training

Circuit Breakers & Switchgear (LV MV & HV)

- > Same as above

Electri-cation Projects:

- > Commercial & Residential Electrical Wiring
- > In-lls
- > New Projects
- > Refurbishment

Cabling - LV & MV

- > Trenching, Laying, Backlling & Compaction
- > Joints & Terminations

Powerlines Networks

- > Construction, Refurbishment & Maintenance
- > Bush Clearing & Line Inspections

Street Lights:

- > New Installations, Refurbishment & Maintenance
- > Inspections

Meters:

- > Installations: Prepaid & Conventional
- > LPU: Installations & Readings
- > Protective Structures Installations

Secondary plant (Including telemetry systems)

- > Installation, Commissioning & Maintenance of: SCADA Systems,
- > Telecomms Systems & Protection Systems

Electrical feeders (LV & HV)

- > Woodpole Line Construction, Maintenance & Inspection
- > Woodpole Replacements & Stubbing

Energy Efficiency

- > Solar water heater (Supply & Installation)
- > Energy Ecient Light Installation
- > Ripple Control for Geyser Installation

Substations

- > Construction of new Substations
- > Refurbishment of existing Substations
- > Maintenance & Inspection of Substations
